

Tilia Vitro

Handcrafted Headphones Stand

ERZETICH

www.erzetich-audio.com

Audiophile headphones need a home where they are protected and do not encroach on sacred music space by just lying around. We created the **Tilia Vitro** for these reasons – well, and to enhance the extremely cool look of your audio corner. This is especially the case if you have already invested in the superior looking Deimos or Bacillus Tilia headphone amplifier, as the Vitro headphone stand is handcrafted from the same linden wood and enhanced with plexiglass acrylic. It's a match made for heaven, but even without the Bacillus Tilia, the Tilia Vitro headphone stand is an eye-catching support for your headphones.

Dimensions (W x H x D): 120 x 280 x 150 mm – Weight: 1300 g – Material: Wood, acrylic
