

SLEEK STEREO SOUND

Stop and take a look around. No matter how you slice it, most of us should agree that life is good. But can you make a good thing better? Sure, because even the improvements that seem small add up over time in a positive way.

Take the new Tangent EXEO, for example. It consists of only two audio components, yet provides a number of connection and playback possibilities that indeed all add up to a lifetime of positive experiences. The EXEO AMP (amplifier) and EXEO CDP (CD player) work together in perfect harmony.

The EXEO AMP is a 2 x 60-watt @ 8Ω, Class-D switched power amp. It provides plenty of power to the attached loudspeakers, pumping out the listener's favourite music clearly and richly. Among the multitude of connection options are gold-plated RCA connections for a CD player, FM/DAB/NET radio, and auxiliary sources. Add a phono input, and outputs for recording, power amplifier, active subwoofer and headphones, and the EXEO AMP becomes more complete.

The EXEO CD Player is a multi-format digital disc player, capable of providing a wealth of opportunities for the listener. With CD-Audio and MP3 the EXEO CDP is an outstanding companion for a Tangent EXEO Amplifier.

An A-B speaker selection function makes it possible to playback music in two individual sound zones, depending on your physical setup. Up to four speakers (2 x stereo) in the two zones can either play your music individually or together.

Both the EXEO AMP and EXEO CDP feature large VFD displays. Centrally located, the VFD display offers a wide viewing angle and an appealing intensity. Highlighting user-friendliness, the display can be dimmed according to the ambient light.

*The philosophy behind the Tangent products is built around four cornerstones; quality materials, superior sound reproduction, ease of use, and finally the ability to suit every interior decor. The result is a range of products that will fulfil all of your needs, whether you are looking for a radio, a speaker, a hifi setup or a iPhone or iPod dock.*

## EXEO AMP

### FEATURES

- CLASS-D AMPLIFIER
- 2 X 60 WATT @ 8Ω
- A/B SPEAKERS
- SUBWOOFER OUT
- BLACK ALUMINUM FINISH
- DANISH DESIGN

## EXEO CDP

### FEATURES

- OPTICAL AND COAX OUT
- RCA LINE OUT
- CD/CD-R/CD-RW
- MP3 COMPATIBLE
- BLACK ALUMINUM FINISH
- DANISH DESIGN

### SPECIFICATIONS

Power @8R:	>60W
Power @4R:	>100W
Standby consumption:	<1W
Signal/Noise ratio:	101dBA
Frequency response +/- 1dB:	20-20KHZ
Dynamic range:	100dBA
Crosstalk:	-70dB
RCA Inputs:	4
Phono input:	Yes
Level in:	Yes
Subwoofer out:	Yes
Speaker connector:	Binding post
Mains voltage:	100-240VAC
Dimensions (WxHxD):	430 x 92 x 283mm
(With plugs and knobs)	

### SPECIFICATIONS

Standby consumption:	<1W
Play consumption:	5.6W
Signal/Noise ratio:	>111dBA
Frequency response +/- 0.1dB:	20-20KHZ
Dynamic range:	91dBA
Digital optical out:	Yes
Digital Coaxial out:	Yes
DAC:	WM 8761
Amplitude:	2Vrms
Mains voltage:	100-240VAC
Dimensions (WxHxD):	430 x 92 x 275mm
(With plugs and knobs)
